**Section VI. Debit Plans and Mav Money**

This section only applies to those cards that include debit plans in the "privileges" section.

A. **Debit Plans**

Mav Express Currently Manages 7 Debit Plans for the UT Arlington Community

1. Mav Money is the primary debit plan offered to the University community. It is available to anyone with a Mav Express card and deposits have no spending restrictions.

2. Sponsored Student Debit Accounts are limited to food purchases only. Deposits to this type of account are arranged through the Office of Sponsored Students.

3. Dining Dollars are part of a meal plan package and may be used at Dining Services facilities only. Dining Dollars not used before the end of each semester are forfeited.

4. Camp & Conference debit plans are for guests and operate the same as Mav Money.

5. Copy & Print accounts are primarily funded through departments or organizations. They are limited to use at copier readers and printing in campus computer labs.

6. Book Advance accounts are requested through the Financial Aid office. Spending from these accounts is limited to the UTA Bookstore and Maverick Computer until census date. Following census date, Book Advance account funds are moved to Mav Money or the student may request a refund.

B. **Mav Money Features and Benefits**
1. Mav Money is the primary debit plan offered the university community. It is available to anyone with a Mav Express card and deposits have no spending restrictions.

2. Mav Money is accepted at 12 photocopiers, several OIT computing labs, three laundry facilities, all campus retail and dining locations, and several off-campus merchants. Purchases made with Mav Money at any Campus Dining Service location will receive a 5% discount. Mav Money can also be used to make purchases from selected off-campus merchants and restaurants.

3. All Mav Money funds are carried forward each semester for as long as a person continues association with UTA. Because Mav Money is a debit plan, you cannot go in to debt using Mav Money. Once your account is depleted, you cannot use the card until funds are replenished.

4. Mav Money is to be used for purchase of goods or services only and no cash may be withdrawn.
   a. Upon leaving the University, students may request a refund of any balance remaining. Refunds will be credited to the student's University account. If no balance is owed to the University, a check will be mailed to the student's home.
   b. Any request for an early refund of Mav Money before leaving the University must be submitted to the Director, Campus Card Operations. The Director will consult with the Executive Director, Management Services and a decision will be rendered.

5. Deactivating a Mav Money account: An individual cardholder is responsible for completing a Mav Money Refund Request form at the Mav Express Office. Refunds are issued only by the Bursar. In the instance where a card is not issued to an individual but to a department, refund of the credit balance would require an interdepartmental transfer (IDT).

C. Mav Money Deposits

1. Deposit online at www.uta.edu/mavmoney.

2. A computer kiosk is available outside the Mav Express Office for your convenience.

3. Deposit cash, check, or credit card charges at the Bursar's Office in Davis Hall.

4. Deposit cash at the CSVT Machine (Cash Machine) in the Central Library next to the Help Desk.

5. Deposits to a Mav Money account may be made through one of the three locations shown below.

6. **Deposit Limits and Restrictions.**

A Mav Money Account cannot exceed $1,000.00 and is set to reject any deposit transactions that would result in the balance being over this limit. A deposit cannot be made to a Mav Money account if the patron's CS Gold account is inactive.

D. **Meal Plans**

The Housing department sells a combination of meal plans with designated amounts of dining dollars.

1. Mav Express manages the CS Gold software and hardware used for the vending of meal plans as well as the procurement of meals by patrons at the proper time and location.

2. Mav Express is also responsible for both the initial population of meal plans at the beginning of each term and the removal of meals and dining dollars at the end of each spring and summer semester. Mav Express may make adjustments to meal plans and dining dollars per request by the Housing department. Mav Express provides reports on meals procured and other relevant information.

3. Housing is responsible for the management of meals during the semester. This responsibility includes: purchase payments of meal plan, deactivating/activating meal plans and the adjustment of dining dollars.

4. **Dining Dollars Balance reset to Zero**
It is necessary to periodically reset the balance of Dining Dollars to Zero as they do not carry over from semester to semester, with the exception of the fall-spring semester change. Dining dollar balances are cleared at the end of the spring and summer semesters.

Section VII. Card Access

This section only applies to those cards that have access privileges.

Mav Express offers two types of access control systems, both of which require the use of the Mav Express card. The on-line system is a server based system hardwired to the UT Arlington network. The off-line system uses stand-alone battery operated locks. The on-line and off-line systems are coordinated through the on-line database to ensure current credentials are used for access.

A. Submitting Access Requests

In order for an access request to be considered, it must come from an Approved Requestor. Mav Express keeps an updated list of approved requestors that can be audited by Directors (and above) upon request. An annual audit of all approved requestors is performed on an annual basis so that respective department heads can confirm the validity of their approved requestors.

1. Authorizing Approved Requestors

Requests for designating approved requestors must be sent via email to the Director or the Assistant Director of Campus Card Operations by a Director or any position above the Director level.

2. Approved Requestors that do not work for UTA

Any requests regarding non-UTA approved requestor status will be sent to the Office of the Vice President for Administration and Campus Operations for approval and routing to the Mav Express office.

3. Routing an Access Request

Access requests must be sent by an authorized requestor through to email address access@uta.edu. Only requests sent to this address will be processed. The request must include:

a. Requestor’s full name

b. Brief description of what the request is (Few words to a sentence)

c. Attachment: Card Access Request Form

B. Service and Response Time Expectations for Card Access Requests (Students and Employees)
1. Card access to parking facilities, residence halls, and many academic facilities are granted automatically based on qualifying criteria. Additional card access to individual facilities and labs is provided based on departmental request though a designated authority.

**Typical Response Time**

Allow up to forty-eight (48) hours for granting of access privileges. Allow additional time (up to 5 working days) at the beginning of each semester or any requests of more that 10 doors.
C. **Removal of Access Privileges**

The requesting department is responsible for promptly notifying the Mav Express office when a patron is no longer eligible to receive access privileges previously granted. The request to remove access privileges is sent via access@uta.edu.

1. **Emergency access removal (students and faculty, staff, and all other non-student patrons)**
   
   a. Access removal is considered an emergency when a University official contacts Mav Express and requests action immediately due to potential risk to some aspect of the UTA community and/or campus property.
   
   b. Mav Express notifies the requestor by email that access to online locks will be removed in 1 hour and access to offline locks will be removed within 12 hours. The requestor will also be notified when access has been removed.

2. **Regular access removal (by request) (students and faculty, staff, and all other non-student patrons)**

   Removal access is sent via access@uta.edu by an approved requestor. The requestor will be notified when access has been removed.

3. **Regular access removal (list removal agreement) (students)**

   Agreements are made with an approved requestor or with Residential Life/Housing to remove a list of patrons at a specific point in time. The authorized requestor is notified when access has been removed.
Section VIII. Guest Cards

Guests to the University who do not have a Mav Express Card but would like to use Mav Money can purchase a guest card and deposit Mav Money at the guest card machine at the Central Library. Each card costs $1.00 and the patron can add Mav Money to the card as needed. Mav Money can be added to the card at the Central Library or the Bursar's office in Davis Hall.

Section IX. Replacing an ID Card

Unless otherwise specified in each card type description, replacement cards for lost or stolen IDs will be provided during normal operating hours.

A. If the person brings in an ID that is not working properly or worn out, the ID is replaced for free. There is also no charge to replace cards for name and/or status changes as long as they return the old card. (Mav Express will shred old cards.) If a student is returning to the University for a different degree/coursework, or if a student is returning after being out for at least one full semester, then the $15.00 charge is waived.

B. In any situation where the card is not returned, it is necessary to re-issue (i.e. produce a card with a new ISO number) the card should be charged a replacement fee of $15.00.

1. An IDR (ID replacement 3-part form) must be completed. Building access requirements must be stated on the form.

2. Visual identity is established by Mav Express staff through review of the patron's photo on file or with a photo ID.

3. The pink copy of the form is given to the patron. The white copy goes to the administrative assistant for UTA billing.

4. The new card is scanned and a printout is placed in a hanging UTA Charge folder.

5. The patron takes the new card and logs into their MyMav account to pay the lost ID charge.

6. The patron is told it will take from 24 to 48 hours to reprogram all locks if his/her old card gave access to offline locks.
