Reservations for the use of Texas Hall may be made to the Director or Events Manager of Texas Hall at 272-3101. Mail requests may be sent to Texas Hall at The University of Texas at Arlington, P. O. Box 19192, Arlington, Texas 76019.

A. Application - Application for use of Texas Hall should be made at least three months prior to the date of the proposed event. Such events must be appropriate to and suited to the size, structure, and/or purpose of the facility. There must be a good reason to expect that the proposed event will attract a substantial number of participants or spectators or that it will require facilities unique to Texas Hall which are otherwise not available on campus. Determination of eligibility for use and priority shall be determined by the Priorities of Users, Section 5-1202.

B. Reservations - Reservations become confirmed upon receipt of the advance deposit for an outside group or registered student, faculty or staff organization, or upon receipt of an official request in writing from a university department. An event for which a confirmed reservation has been granted will not be preempted by a user of higher priority.

C. Joint Sponsorship - Only the President of The University of Texas at Arlington or his or her delegate can authorize a joint-sponsorship of a meeting, program, or activity. The joint-sponsorship must be at the invitation of The University of Texas at Arlington; the educational implication of the program or activity must be self-evident and directly supplement the educational purposes of The University of Texas at Arlington; must not result in financial gain to the invited individual, group, association, or corporation; and The University of Texas at Arlington must be responsible for all details of organizing and presenting the meeting, program, or activity including reservation of facilities and the payment of the use fee for the facilities, set-up, audio/visual equipment, and food and

D. Conflict with University Activities - An event shall not be permitted for any purpose that, although in accordance with the provisions of Section 5-1202 and the Rules and Regulations of the Board of Regents, is of such character or occurs at such time or in such circumstances that it is likely to interfere or cause major conflict with any University activity, program or event.

D. University Organization Events - Fees for University organization users, including registered student, faculty, or staff organizations of the University, are established at rates which will, at a minimum, ensure recovery of that part of the operating cost of Texas Hall that is attributable directly or indirectly to such use. The current approved user fee schedule is available in the office of the Director of Texas Hall.

   1. Deposit - An advance deposit, as determined by the Director of Texas Hall and based on the user fee schedule, is required for confirmation of reservations for an event presented by a University organization.

A. University Departments - Excess income over expenses including reimbursable expenses to Texas Hall for the use of the facility derived from a University event may be retained by that department or agency to further their activities and programs. If the event does not produce enough income to cover expenses, those expenses must be covered by the department.

B. Registered Student, Faculty or Staff organizations and Non-University Organizations Users - If a registered student, faculty or staff or non-University user charges those attending an event any admission or registration fee, or accepts donations from those in attendance, the user shall make a complete account of all funds collected and of the actual cost of the event. If the funds collected exceed the actual cost of the event, the user shall be required to remit such excess funds to The University of Texas at Arlington as an additional charge for the use of Texas Hall. A certified accounting of all funds collected and of the actual certified cost of the event shall be submitted to the Director of Texas Hall at the conclusion of the event.
