

**The University of Texas at Arlington
Environmental Health and Safety
Radiation Safety Evaluation
(Radioactive Material)**

I. General Information

Date		Inspector	
Department		Building	
Principal Investigator		Room(s)	
Contact		Phone	

II. Radioisotopes

Radioisotope	Form	Typical Amount Used	How Often Used	Location Used	Storage Locations	Shielding

III. Posting Requirements & Records

Requirement	Comments
Laboratory Door(s) - Radiation Sign	
Storage Areas Labeled	
Isotope Work Areas Clearly Marked	
Notice to Employee Sign	
Radiation Safety Manual	
List of Authorized Users	
Film Badge Records	
Radioactive Material Inventory	
Principal Investigator Sub-license	
Monthly Routine Lab Surveys
