I. Section 10-101 General Policies

I. **Section 10-101 General Policies**

- A. General policies concerning student life have been promulgated for the purpose of providing uniformity and consistency in making decisions affecting students at the University. The Vice President for Student Affairs is the administrative officer responsible for the development and administration of policies relating to students in the areas assigned.
- B. Any student, group of students, or registered student organization may petition the Board of Regents on any matter relating to the policies and regulations set forth in this chapter through the Vice President for Student Affairs, the President, and the Chancellor.
- C. Registration procedures as specified in Section 10-302 are to be followed by any group of students eligible to organize a new organization.
